## Rules of conduct and handling for the implementation of the foal registration dates of the Oldenburger Pferdezuchtverband e.V.

Dear breeders,

Due to the corona pandemic, our Oldenburg foal registration dates this year will take place under slightly different conditions.

However, this is crucial in order to protect you and others and to comply with official requirements.

Therefore, please read the following points carefully and follow the rules of conduct and handling on the dates so that we can continue to offer our breeders our usual service again this year.

- A maximum of two people per registered foal are allowed.
- Please fill in the attached attendance sheet and bring it with you (see back side).
- The dates are closed to the public (without an audience).
- Wearing a mouthguard for participants and especially risk groups is mandatory.
- The awarding of the foals will start on every individual date with the foals of the Springpferdezuchtverband. This is followed by the foals of the Oldenburger Verband. Within the two associations, the foals are presented strictly according to the catalog number.
- Only foals may be presented on the respective dates that have been registered for these dates in due time.
- No gastronomic offer on site! Please think of self-catering including drinks.
- We kindly ask you to leave the venue immediately after the registration of your foal.

We wish you all the best and stay healthy!
